Press Release November 2007

Mastervolt secures three year supply agreement with the Ferretti Group

At the METS 2007 International Trade Show for the marine leisure industry in Amsterdam, Mastervolt has signed a three year worldwide agreement with the Ferretti Group to equip its luxury motor yachts and sporting boats with power electronics. Furthermore, both companies agreed to jointly commit resources to the development of new products.

"We are delighted that Ferretti Group has selected Mastervolt as its preferred supplier of power electronics," says Paul Kenninck, CEO of Mastervolt. "We look forward to provide Ferretti and its highly successful worldwide portfolio of exclusive motor yacht brands with our latest products and systems. Ferretti is reputed for its commitment to research and technology development; hence, we are truly honored with the opportunity to also co-operate with Ferretti engineers in the field of R&D and Innovation. David Bernardi, Chief Procurement Officer at Ferretti Group: "We are pleased to be working in the coming years with Mastervolt who we recognize as the premier supplier of Power Electronics in our industry."

Founded in 1968, Ferretti Group is the globally leading company in the sphere of luxury motor yachts with a range of highly exclusive brands in the nautical world: Ferretti Yachts, Pershing, Itama, Bertram, Riva, Apremare, Mochi Craft, Custom Line and CRN. The Group is currently present in 95 countries, and has three representative branches situated in Europe, the United States and Asia. Mastervolt develops and markets integrated power system solutions and has a worldwide presence in more than 60 countries.
